RENEWAL FACIAL CLEANSER

This exfoliating cleanser dissolves pore congestion and promotes skin clarity, effectively priming skin for treatment serums that follows.

Formulated with Glycolic acid, Salicylic acid, and Mandelic acid, Renewal Cleanser gently smooths away dead skin, improving the appearance of skin tone and texture.

5 ml | R49

100 ml | R349

175 ml | R535

PORE CONTROL CLEANSER

A cleanser that will control and normalize the skin's oil production & dislodge sebum plugs from pores. Salicylic acid has an anti-inflammatory action that will reduce irritation and redness. It will clean skin from resistant congestion & will provide anti-bacterial action. The Aloe Vera included in this formulation will help nourish, soothe, & hydrate skin.

5 ml | R49

100 ml | R349

175 ml | R535

MEDI-ZINC CLEANSER

A hypoallergenic, medicated daily cleanser that controls redness, flaking, irritation, and itching. It contains maximum concentrations of FDA approved Pyrithione Zinc, an antibacterial & antifungal agent.

This cleansing formula gently lifts away and removes impurities while leaving the complexion feeling refreshed & tranquil.

5 ml | R58

100 ml | R360

175 ml | R560

DERMAVUE

Dermavue melts away layers of excess sebum, sunscreen, waterproof make-up, pollutants, and products that build upon the skin, allowing the DermExcel Cleanser to penetrate even further for optimal results. This unique formula was carefully formulated for delicate eyelashes and the fragile skin around the eyes.

100 ml | R230

DAILY ACNE PEEL

This treatment consists of an optimal dose of medicated Salicylic Acid with anti-inflammatory, oil regulating, and cell resurfacing properties. It will help to effectively inhibit acne-causing bacteria, and reduce irritation and inflammation associated with acne and folliculitis.

Daily Acne Peel helps to clear existing acne and folliculitis lesions and reduce the occurrence of future breakouts.

5 ml | R103

30 ml | R630

CHEMICAL PEEL SPRAY

Salicylic acid works by penetrating the pores to eliminate pimples, blackheads, keratosis pilaris and ingrown hair bumps. Glycolic Acid accelerates cell turn-over, improving pigmentation and collagen production.

This light-weight liquid dries on the skin within second, & it won't stain any fabric.

50 ml | R565

RETINOL SERUM

This advanced formula has a phenomenally restorative influence on the many layers of the skin.

It improves the appearance of the toughest skin concerns: wrinkles, uneven skin tone, loss of firmness, blemishes and enlarged pores. The inclusion of Abyssine will reduce irritation, reactivity & intolerance in sensitive skin.

5 ml | R167

30 ml | R990

COLLAGEN SERUM

Tetrahexyldecyl Ascorbate is one of the most stable and potent forms of Vitamin C. It has the ability to increase collagen levels, reduce melanin production, brighten skin, and repair the effects of UV exposure & environmental damage. It also contains Vitamin F essential fatty acids, Vitamin B3 and low molecular weight Hyaluronic Acid, to ensure multi-depth serum penetration and hydration.

Collagen serum will visibly plump skin, enhance skin tone, reduce pore size and smooth lines and wrinkles.

5 ml | R156

30 ml | R940

ACNE REPAIR SERUM

This serum is designed to clear pimples and blackheads from the surface of oily, acne-prone and combination skin without the drying effect of other acne treatments.

This treatment serum helps to remove acne-causing bacteria, shrink enlarged pores and reduce excess oil while improving visible signs of aging.

5 ml | R101

30 ml | R620

DERMNOURISH

This fortifying remedy helps support the skin's barrier function and relieve itching and discomfort of dry, distressed and post-procedure skin.

DermNourish is gentle, non-acnegenic, and free of fragrances and colorants, that could cause irritation and contact dermatitis.

5 ml | R56

50 ml | R565

DERMREPAIR

Targeted treatment to help reduce and prevent bruising and redness due to accidents and/or dermatological treatments.

DermRepair helps nourish and support the skin following aesthetic treatments by soothing the skin and delivering essential nutrients. Vitamin K eases the elimination and prevents the accumulation of iron in the affected areas.

5 ml | R104

15 ml | R315

30 ml | R610

RADIANT GEL

Radiant Gel is high in Glycolic acid with an optimal pH to chemically exfoliate dull & dead skin cells. This treatment target signs of sun damage including dull and sagging skin, wrinkles and pigmentation. Collagen production and skin hydration levels will improve, resulting in firmer and healthier skin. Expect a bright, smooth & radiant complexion.

5 ml | R108

30 ml | R665

DARK CIRCLE EYE SERUM

An illuminating serum powered with corrective medical-grade Vitamin K, that assists in diminishing the appearance of dark circles and other signs of aging with a unique, innovative formula.

This eye serum will help to visibly brighten and reduce puffiness, fatigue, fine lines & wrinkles in the delicate eye area.

15ml | R565

TIME FREEZE EYE SERUM

An intense firming serum that provides corrective action for lines and wrinkles, puffiness and sagging skin under the eyes.

Time freeze eye serum tightens the skin upon application and provides long term benefits for an overall lifted and more sculpted face contour.

15ml | R630

EXCELERATE

Excelerate is a superficial peel, with no downtime. It offers Keratolytic, as well as Comedolytic action. Salicylic acid is oil soluble, thus making this acid perfect for oily/acne skin that needs deep pore cleansing and loosening of blackheads.

15% 5ml | R178

15% 10ml | R250

30% 5ml | R232

30% 10ml | R340

DERMDEFENCE SPF 50

Dermdefence SPF 50 is a revolutionary sunscreen that combines very high UV protection with cellular and DNA protection.

This formula goes beyond UV protection to defend against harmful infrared rays and blue light while supporting the skin's ability to restore itself.

5ml | R45

50ml | R399

DERMALYTIC

Dermdefence SPF 50 is a revolutionary sunscreen that combines very high UV protection with cellular and DNA protection.

This formula goes beyond UV protection to defend against harmful infrared rays and blue light while supporting the skin's ability to restore itself.

mesoestetic[®]

COSMELAN 2 MAINTENANCE CREAM

Cosmelan 2 is an effective depigmentation cream that contains a blend of potent active ingredients that work together to lighten the skin on the face and other areas that have been exposed to the sun. With regular and continued use, the appearance of dark spots is dramatically improved and, in some cases, completely eradicated.

30ml | R6 423

COSMELAN MAINTENANCE KIT

1x cosmélan 2 maintenance cream
1x melan SPF 130+

melan recovery cream | R7753

hydra vital k | R8135

DERMAMELAN 2 MAINTENANCE CREAM

The Dermamelan is a cream with peeling action, skin regenerative, depigmenting, which acts on the hyperpigmentation disorders of melanic origin: the melanosome. It inhibits the melanogénese, interrupting the production of melanin during a long period of time, during which, the exfoliation and regeneration of the cells of the skin stratum corneum (outermost layer) remove deposits of melanin..

30g | R7 437

DERMAMELAN INTIMATE HOMECARE

Gel-Cream for daily use with corrective, regulating action on hyperpigmentation of the genital- perineal area and adjacent areas.

- Correct and regulates genital hyperpigmentation
- Strengthens and increases the elasticity of the area
- Protect and moisturizes the vulvar epithelium
- Improves the barrier function

50ml | R1 826

DERMAMELAN MAINTENANCE KIT

1x cosmelan 2 maintenance cream
1x melan SPF 130+

melan recovery cream | R8620

hydra vital k | R8998

MELAN RECOVERY

Intensive treatment to combat reactive signs of irritation and redness, providing the sensation of instant relief. Reduces skin sensitivity and strengthens the skin's defences against external attacks or after medical/aesthetic treatments. Re-balances the skin barrier, providing comfort, elasticity and smooth skin.

50 ml | R1524

MESOPROTECH MELAN SPF 130+

provide a very high factor sun protection for skin with pigmentation imperfections. A depigmenting ingredient helps regulate melanin synthesis by reinforcing the preventative anti spot action. It has a coloured texture that provides a natural tone and softens imperfections, unifying even the skin tone.

50 ml | R1182

MESOPROTECH SPF 100+

This product limits melanogenic activity, reducing the appearance of existing pigmentation and minimising the formation of future dark spots. The skin's natural ability to retain moisture is boosted, maintaining optimum hydration levels. The renewing effect restores an even skin tone and a healthy, radiant glow. It is used to prepare skin for cosmelan and dermamelan treatment.

4,5 G | R630

MELAN TRAN³X CONCENTRATE

Intensive depigmenting agent for daily use that acts on excess epidermal pigmentation by reducing the formed melanin and visibly reducing dark spots. Its ultra-light texture allows you to apply it before your usual cream.

30 ml | R2014

MELAN TRAN³X GEL CREAM

Depigmenting cream for daily use that acts gradually on epidermal dark spots to give a more uniform skin tone. Inhibits the mechanisms responsible for pigmentation to prevent the appearance of dark spots and stop them from reappearing.

Quickly absorbed light gel cream texture.

50 ml | R1384

MELAN TRAN³X KIT

1 x melan tran³x concentrate
1 x melan tran³x gel cream
1 x melan SPF 130+

R4121

BRIGHTENING PEEL BOOSTER

This product limits melanogenic activity, reducing the appearance of existing pigmentation and minimising the formation of future dark spots. The skin's natural ability to retain moisture is boosted, maintaining optimum hydration levels. The renewing effect restores an even skin tone and a healthy, radiant glow. It is used to prepare skin for cosmelan and dermamelan treatment.

30 ml | R1372

HYDRA VITAL K

Ultra-moisturizing cream especially indicated for restoring smoothness and elasticity to dry skin types. Its exclusive formulation maintains the hydration of the stratum corneum and replenishes the hydrolipidic film. It ensures protection of the skin against external aggressions, neutralizing the free radicals responsible for premature aging.

50 ml | R1969

COUPEREND MAINTENANCE CREAM

For sensitive, hyper-sensitive and hyper-reactive skins susceptible to redness and visible micro-capillaries on the skin's surface. Its soothing and decongestant properties help minimise skin irritation by acting on the impaired perivascular structure. Suitable to all skin types.

50 ml | R1367

AOX FERULIC

Anti-ageing concentrated treatment that prevents and works against oxidative cell damage. It protect fibroblasts and improves collagen fibre synthesis. Biological shield against oxidation produced by UVB, UVA, IR, and VISIBLE LIGHT (HEV). Protects the natural antioxidant system and barrier function of the skin. Prevents photo and chrono-ageing.

30 ml | R3048

PROTEOGLYCANS AMPOULES

An intensive treatment for dry, mature or devitalised skin, which nourishes and firms the skin and combats the signs of ageing. Its concentrated formula contains active ingredients that act synergistically to provide more firmness, elasticity and nourishment to the tissues of your skin. Its light texture is rapidly absorbed, leaving the skin feeling soft and comfortable.

10 x 2 ml | R1360

ANTI-AGEING FLASH

An intensive anti-aging treatment for all skin types that provides an immediate anti-fatigue and lifting effect. Its concentrated formula includes a combination of outstanding anti-aging ingredients that act synergistically to reduce wrinkles and expression lines and increase the skin's elasticity and firmness. Its light texture is rapidly absorbed, leaving the skin feeling soft and comfortable.

10 x 2 ml | R1386

HA DENSIMATRIX

a multi-dimensional hyaluronic acid serum that offers superior skin hydration. Key ingredients include multiple forms and weights of Hyaluronic Acid which attract and hold onto water, increasing hydration and elasticity for plumper-looking skin. Glycerin is a lubricant with powerful water-binding properties as it attracts and retains moisture in the skin. Fragrance-free.

30 ml | R2451

TRICOLOGY HAIR LOTION

Intensive anti-hair loss treatment lotion with scalp revitalising action. It separately fights the multiple factors responsible for male & female androgenic alopecia: it enhances blood flow, promoting the arrival of nutrients, stimulates hair follicles and moisturises the hair.

15 x 3 ml | R1724

TRICOLOGY HAIR LOSS SHAMPOO

A regenerating anti-hair loss shampoo with active ingredients that gently cleanse and balance scalp pH, reducing both male and female hair thinning.

200 ml | R1033

LABORATOIRES
FILORGA
————— PARIS

FOAM CLEANSER

This foam cleanser creates a rich lather that helps to gently, yet effectively remove impurities, make-up, and oil from the skin. Its hydrating formulation also helps restore moisture so that skin doesn't dry out.

150 ml | R332

GLOBAL REPAIR ESSENCE

Discover Global Repair Essence and complete your anti-aging beauty routine. This global anti-aging care lotion, inspired by aesthetic medicine techniques, is specially formulated to meet the needs of devitalized skin.

150 ml | R949

NCEF ESSENCE

An innovative skin purifying toner that hydrates and preps the skin for increased post product absorption and efficacy. Formulated with NCTF® and combined with an anti-pollution polysaccharide that regenerates the skin and improves radiance in dull complexions.

150 ml | R668

GLOBAL REPAIR INTENSIVE

A high-performance melting serum to be applied alone during the day and blended with a cream in the evening. The texture is enriched with smoothing retinol and energizing glycogen to boost the effectiveness of the core formula. Enriched with smoothing retinol and energizing glycogen for outstanding effectiveness.

30 ml | R1479

TIME-FILLER

Harnessing the power of a Botox-like Tripeptide, the highly concentrated formula helps contract and relax the skin and facial muscles for a visible smoothing effect. Encapsulated Hyaluronic Acid delivers deeply penetrating moisture and fills the appearance of wrinkles, while an NCTF®-infused peptide works to stimulate collagen synthesis for tighter and firmer feeling skin.

50 ml | R976

TIME-FILLER MAT

Specially formulated to instantly reduce shine for a gorgeous matte look. Contains a botox-like active ingredient that helps fill in wrinkles for younger-looking skin. Also helps to reduce the size of pores for a smoother complexion.

50 ml | R976

HYDRA-FILLER

Hyaluronic Acid acts as a true moisturizing perfusion and can hold up to 1000 times its weight in water. This treatment combines two effective hyaluronic acids (high molecular weight + micro-fragmented) for a micro-filler effect and visible hydration. Collagen production is re-boosted to limit wrinkles and cracks in the dermis.

50 ml | R716

HYDRA-FILLER MAT

A non-greasy gel-cream with a matte finish, to give a radiant complexion. For normal and combination / oily skin. For smoothing and plumping the skin with a multi-layer of hydration. For high definition correction - pores and brightness. Combined with an astringent active to reduce pore size and an enzymatic exfoliating protease, to reveal the radiance of the complexion.

50 ml | R716

NUTRI-FILLER

This intense cream deeply nourishes and replenishes demanding skin while redefining the contours of the face. A blend of shea butter and argan oil restores elasticity and brings comfort to even extremely dry skin. A plant extract promotes the renewal and protection of collagen, leaving the skin protected for longer. Red algae target the contour of the face and double chin.

50 ml | R827

LIFT STRUCTURE

An ultra-lifting cream formulated with active ingredients derived from aesthetic procedures for a complete anti-ageing effect. Included in a cream for the first time, Plasmatic Lifting Factors® combines to visibly tighten the features, plump the skin and sculpt the face.

50 ml | R945

GLOBAL REPAIR CREAM

A cream suitable for those with mature or ageing skin that works to revive and refresh the complexion. As skin ages, it can lose vitality in two ways: by becoming tired or by experiencing an increase in wrinkles. Tired skin is often dehydrated and dry, but can also feel thinner and less comfortable, while wrinkles are often accompanied by hollowness, dark spots and a lacklustre glow.

50 ml | R1479

LIFT STRUCTURE RADIANCE

Defy signs of aging with the Filorga Lift-Structure, an ultra-lifting cream formulated with special ingredients derived from aesthetic procedures for radical results. Included in a cream for the first time, Plasmatic Lifting Factors with Cell Factors, Collagen and Hyaluronic Acid work to visibly tighten the appearance of features and provide a plumped, sculpted look to the complexion.

50 ml | R949

SLEEP & PEEL

Tissue renewal booster - instantly smooths the skin and reveals radiance

A velvety night cream enriched with a cocktail of 6 hydroxy acids (AHA and BHA, for a perfectly safe peeling effect and action on wrinkles, brown spots and imperfections.

50 ml | R864

TIME-FILLER NIGHT

An anti-aging night cream that combines an elastin booster with a skin detoxifier for smoother features and a fresher, more luminous complexion as soon as you wake up. Formulated to improve all types of wrinkles.

50 ml | R976

NCEF NIGHT MASK

An ultra-regenerating night mask containing inspired assets of aesthetic medicine. For a more visibly younger looking skin on waking. An intensive renovation of skin quality. A NCEF formula, has a unique poly-revitalisant complex with 50 ingredients integrated in concentrations comparable to those used in meso-injections.

50 ml | R953

SLEEP AND LIFT

With a smoothing balm texture, the Sleep & Lift ultra-lifting night cream is aimed at returning skin firmness to your skin at night, and that allows you to act on sagging, loss of volume and lack of definition in the oval and apples the face.

50 ml | R949

OPTIM-EYES PATCH

A triple action cool-effect patch to revitalize the eye area in 15 minutes only. Express anti-fatigue eyes patches. A stimulating active ingredient rich in polysaccharides and vitamin PP to lighten dark circles. Energizing peptides are combined with a [Hamamelis + Cornflower] duo to reduce eye bags. A relaxant molecule smoothes the skin to reveal visibly reduced eye wrinkles.

8 pairs of 2 | R711

TIME-FILLER EYES

Time-Filler Eyes Absolute Eye Correction Cream is a correcting eye treatment brings you younger- and wider-looking eyes. An active ingredient combined with a powerful peptide fight wrinkles, smoothing out expression lines and evening skin from within. A lifting complex combats the sagging upper eyelids while a protein boosts lash volume.

15ml | R716

NCEF REVERSE EYES

The Filorga NCEF Reverse Eyes is an advanced eye treatment formulated with concentrated NCEF which penetrates deep into the skin and promotes complete renewal of the eye area. Diminishing fine lines and dark circles, reducing puffiness, improving firmness and radiance.

15ml | R928

OPTIM EYES REFRESH

Containing the same powerful three-in-one, anti-fatigue ingredients as Optim-Eyes, the new easy-travel stick has been formulated to deliver an immediate refreshing boost to the eye-contour area, any time of the day or night.

12.5g | R456

SCRUB & DETOX

Filorga Scrub & Detox Intense Purity Foam Exfoliator has a detoxifying action that evens the skin texture and brightens the complexion being perfect for a busy urban lifestyle. The double-action exfoliating foam intensely detoxifies the skin via two main steps - double exfoliation and double purification.

50ml | R562

SCRUB & MASK

Scrub & Mask uses both a medical and cosmetic approach to its range, containing hyaluronic acid and NCTF® identical to those used by doctors that help to tighten pores, and refine and smoothe out skin texture. The oxygenating and exfoliating mask will help leave your skin with a natural looking glow.

55ml | R748

TIME-FILLER MASK

A once-off pre-soaked super mask that provides rapid results in 15 minutes. It has a double smoothing effect which lifts and visibly smoothes wrinkles, whilst stimulating skin regeneration for a reinforced anti-ageing action

per mask | R165

HYDRA-FILLER MASK

The power of a serum concentrated into a mask with a second-skin effect, for moisturised and plumped skin in 15 minutes. Drenched in hyaluronic acid, this infusion mask also contains a combination of NMF-Like complex and aloe vera which actively moisturises and plumps the skin in record time.

per mask | R165

LIFT MASK

This biocellulose mask with a second skin effect merges with your face for a high diffusion of a unique lifting cocktail: the Plasmatic Lifting Factors [cellular factors + collagen + hyaluronic acid]. The lines are retightened and the skin plumped in a single gesture.

per mask | R165

SCRUB & PEEL

This exfoliating cleanser dissolves pore congestion and promotes skin clarity, effectively priming skin for treatment serums that follows.

Formulated with Glycolic acid, Salicylic acid, and Mandelic acid, Renewal Cleanser gently smooths away dead skin, improving the appearance of skin tone and texture.

100ml | R419

NUTRI-MODELING BALM

A nourishing 3-in-1 balm that smooths, refines, tones and models the silhouette on a daily basis. It has a melting texture enriched with butter [shea + murumuru] to intensively nourish the skin. A triple action silhouette for a body sublimated day after day. Fights against sagging skin, stimulates and restores elasticity to the skin.- anti-stretch marks - anti-sagging - anti-stubborn bulges

200ml | R636

PIGMENT WHITE

Pigment-White is specially formulated to help correct dark marks and lighten imperfections on the skin for a more uniform complexion. Also helps to reduce redness, improve skin surface texture and enhance the skin's natural brightness.

50ml | R891

NEOCICA

Neocica Moisturizing Repairing Care is a restorative care that combines soothing active ingredients and collagen precursors to promote epidermal repair. Ideal as a post-treatment care, after shaver, and for rosacea, superficial burns, skin irritation or after excessive sun exposure. The skin is quickly soothed and the regenerating ingredients help the skin to heal faster and better.

40ml | R563

UNIVERSAL CREAM

Tackle any skin situation with the Filorga Universal Cream; a multi-purpose formula that simultaneously hydrates, protects and repairs skin, working from head to toe. Suitable for anybody over the age of three, the family essential cares for skin in one simple step.

Combining Urea and Plant Extracts, the formula envelops the face and body in a veil of instant yet long-lasting moisture.

100ml | R536

GLOBAL REPAIR EYES & LIPS

Filorga global-repair Eyes & Lips Multi-Revitalising Eye & Lip Contour Cream 15ml is concentrated multi-active care, the special contour of the eyes and marked lips, inspired by aesthetic medicine techniques recognized for a visible and intensive youth effect.

Multi-revitalizing eye and lip contour cream for skin with signs of aging, creased eye and lip contour.

15ml | R1290

THOCLOR LABS

TRIFECTIV AFTERCARE

Trifectiv Aftercare is used after aesthetic skin treatments like micro-needling (Dermapen), laser, dermabrasion, acid-induced skin peels and waxing. It disinfects the skin before treatment and ensures organised collagen formation without infection, inflammation or swelling after the procedure, helping the skin to heal quickly post-treatment.

100 ml | R550

LARGAVITA
Bioscience

NAD COMPLEX

NAD⁺ acts as an oxidation-reduction coenzyme because it contains the pyridine ring structure of the vitamin niacin, which accepts electrons when fuel molecules are oxidized. Stabilized oral NAD⁺ as a nutritional supplement thus plays an important role in preventing energy deficiency in tissues. Cells having more fuel via NAD⁺ have more energy, function much better, live much longer and stay healthy.

Smitten 
be smitten with your mitten

SMART MITTEN

A Smart Mitten is a microfibre mitten that completely deep cleans your skin in seconds using nothing but warm water!

The tiny Smart Mitten fibres can absorb the finest, microscopic particles of oil, dead skin, impurities and even bacteria. By gently massaging, they deep clean your pores. The result is a superior cleanse that eliminates the very environment (oil, dirt, bacteria and grime) in which skin conditions can erupt, without disrupting the sensitive acid mantle (pH) of the skin.

R140

LYNNÉ DE JAGER

LIPSTICK

LJ COSMETOLOGY is a specially formulated lipstick range that offer rich bold shades, with intense colour pay-off. It contains a combination of ingredients that will allow a flawless, smooth, velvety, MATT finish, while moisturizing your lips making it more comfortable to wear. It's 100% cruelty-free.

R 290

LIP SCRUB

This lip scrub from LYNNÉ is a three-in-one lip scrub used to exfoliate, condition and cleanse your lips. It can be used before applying lipstick, for a smoother-looking finish or afterwards to assist in removing lip colour. Our lip scrub will ensure your winter lips are flawless & kissable!

R 120

PORE EXPRESS PRIMER

Especially suited for mixed skin, this primer has a dual action: immediate and long lasting, as it immediately mattifies and smoothes pores and skin texture over time and provides daily protection to impurities and pollution, for a purified skin during all day. Excellent make-up base. With a transparent and non-greasy texture. Non-comedogenic. Oil-free.

30 ml | R530

TIME FLASH

A double treatment, smoothing and blurring, make-up base. It is applied to the entire face or to a targeted area, to smooth skin texture and irregularities. It can also be applied over make-up, for express touch-ups. It's melting texture leaves a soft and velvety touch. Instantly, the features are smoothed, the skin texture is refined.

30 ml | R568

FLASH NUDE (FLUID)

This is a tinted moisturiser 'skin perfecter' that offers adjustable coverage and UV protection with long term skin care benefits. Skin-fusion micro-pigments, for an instant flawless skin effect. It provides adjustable, radiant and natural coverage with no mask effect.

30 ml | R557

FLASH NUDE POWDER TRANSLUCENT

Instantly improves and enhances the appearance upon application, whilst at the same time providing a host of anti-ageing ingredients to improve skin quality over the long term.

compact 9g | R557
